

**Q1 Do you agree with Ofcom's view that the proposed non-emergency healthcare service represents a justified use of a three-digit number? Please give reasons for your views. :**

Yes.

A national 'one number' should avoid confusion and after time everybody should become as aware of it as the 999 number

**Q2 Do you agree with the DHs view that:**

**A) a three-digit number is the best choice for the proposed service and  
B) of the three-digit numbers available, 111 is the best option?**

**Please give reasons for your views. :**

a) Yes, much easier to use and remember

b) I would bow to consultation done

**Q3 What are your views on the tariff options selected by the DH? :**

It should be a free to user service, as 999 calls.

**Q4 Do you have any comments on the proposed notification of modification to the Numbering Condition in Annex 8 of this document:**

Seems fine.
