

Q1 Do you agree with Ofcom's view that the proposed non-emergency healthcare service represents a justified use of a three-digit number? Please give reasons for your views. :

No. I don't see the point of the number at all. It will be a duplication of NHS Direct.

Q2 Do you agree with the DHs view that:

**A) a three-digit number is the best choice for the proposed service and
B) of the three-digit numbers available, 111 is the best option?**

Please give reasons for your views. :

No. Why are you only asking about the 3 digit number? Surely asking whether people think the service should exist at all is more important? Please explain how this service will differ from NHS Direct.

Q3 What are your views on the tariff options selected by the DH? :

Q4 Do you have any comments on the proposed notification of modification to the Numbering Condition in Annex 8 of this document:

I don't understand what it's saying. If you want meaningful responses to consultation, you need to provide documents in Plain English.
