

Q1 Do you agree with Ofcom's view that the proposed non-emergency healthcare service represents a justified use of a three-digit number? Please give reasons for your views. :

Yes - it makes sense

Q2 Do you agree with the DHs view that:

**A) a three-digit number is the best choice for the proposed service and
B) of the three-digit numbers available, 111 is the best option?**

Please give reasons for your views. :

A)Yes B) 111 is a good choice Why not have the same number for all non emergency services ie a mirror of 999? People could just ring one single number for a non-emergency and then be asked "What is the nature of your enquiry eg police, health etc" just as they are for 999.
