

Q1 Do you agree with Ofcom's view that the proposed non-emergency healthcare service represents a justified use of a three-digit number? Please give reasons for your views. :

Yes I think that a quick, easy to remember, dedicated line is justified because we have a plethora of telephone numbers for the NHS both nationally and locally (hospitals, A&E, doctors, support groups, social services)

Q2 Do you agree with the DHs view that:

**A) a three-digit number is the best choice for the proposed service and
B) of the three-digit numbers available, 111 is the best option?**

Please give reasons for your views. :

054 Yes, Whole-heartedly, to A and B

Q3 What are your views on the tariff options selected by the DH? :

Of the comprehensive list of options presented I think the DH have selected the top four best options - clarity is essential

Q4 Do you have any comments on the proposed notification of modification to the Numbering Condition in Annex 8 of this document:

None
