Yes as it can sometimes take a while to get through to N.H.S.D. And it would reduce the number of calls to 999

Q2 Do you agree with the DHs view that:

**A) a three-digit number is the best choice for the proposed service and
B) of the three-digit numbers available, 111 is the best option?**

Yes it is easier to remember. And it is the first number n the key pad. It is better to have a repeated number than remember a sequence

It should be a free call, or some people will not be able to access it

Q4 Do you have any comments on the proposed notification of modification to the Numbering Condition in Annex 8 of this document:
