

Q1 Do you agree with Ofcom's view that the proposed non-emergency healthcare service represents a justified use of a three-digit number? Please give reasons for your views. :

I think this is justified as it could make prompt access to non-emergency enquiries easier for the general public & specifically for some people who have impairments [for example those with conditions that affect the mobility of the hands & fingers or with learning disabilities].

Q2 Do you agree with the DHs view that:

**A) a three-digit number is the best choice for the proposed service and
B) of the three-digit numbers available, 111 is the best option?**

Please give reasons for your views. :

I agree with the view [A & B] that a 3 digit number is the best choice & best option as it could make prompt access to non-emergency enquiries easier for the general public & specifically for some people who have impairments [for example those with conditions that affect the mobility of the hands & fingers or with learning disabilities].

Q3 What are your views on the tariff options selected by the DH? :

No preference regarding selected options

Q4 Do you have any comments on the proposed notification of modification to the Numbering Condition in Annex 8 of this document:

No
