**What do you want Ofcom to keep confidential?:**

Keep nothing confidential

**If you want part of your response kept confidential, which parts?:**

**Ofcom may publish a response summary:**

Yes

**I confirm that I have read the declaration:**

Yes

**Ofcom should only publish this response after the consultation has ended:**

You may publish my response on receipt

**Question 1: Do you agree with our analysis of consumer detriment on the 070 number range?:**

Yes

**Question 2: Do you agree that the costs outweigh the benefits in relation to closing the 070 number range and migrating users to an alternative range?:**

Yes

**Question 3: Do you agree that Ofcom should keep the 070 range open and monitor the market in light of enforcement action by PhonepayPlus?:**

Yes

**Question 4: Do you agree that Ofcom should require OCPs to give greater prominence to the cost of calling 070 numbers in published price lists and promotional material?:**

Yes

**Question 5: Do you agree that Ofcom should amend its guidance to ensure that PNS providers carry out appropriate due diligence of sub-allocatees of personal numbers?:**

Maybe - only where necessary and justifiable; not a blanket requirement.

Many 070 customers are overseas and unable to provide 'standard' documentation by any secure means.

**Question 6: Do you agree that Ofcom should not bar the presentation of 070 CLI? Please provide evidence to support your response:**

Yes. CLI is an important facility in normal use. If it is barred on 070 then it follows that it also should be barred from many other services.

**Question 7: Should services provided by, for example, Hospedia, Premier Telesolutions and Trader Media be provided on an alternative number range to 070? Please provide any evidence to support your views.:**

Yes - this will remove much confusion. For hospital use especially, when patients and families may have more important matters to worry about, it is necessary to prevent confusion between 070 and mobile services

**Question 8: Do you agree that Ofcom should withdraw formally the requirement for pre-call announcements on 070 Personal Numbers?:**

Yes
