Don't know.

**Question 8: Do you agree that Ofcom should withdraw formally the requirement for pre-call announcements on 070 Personal Numbers?:**

YES .....

**Additional comments:**

I (we) are Flextel users. The convenience of being able to transfer a destination to anywhere is a real benefit both to my church and to those who wish to contact the church. I first used the Flextel service while in business, and the facility to offer

service to customers at all times by re-directing calls was a real step forward.

PLEASE continue to allow the 07 service to include flexible portable numbers such as Flextel provide.
