What do you want Ofcom to keep confidential?:

Keep nothing confidential

If you want part of your response kept confidential, which parts?:

Ofcom may publish a response summary:

Yes

I confirm that I have read the declaration:

Yes

Ofcom should only publish this response after the consultation has ended:

You may publish my response on receipt

Question 1: Do you agree with our analysis of consumer detriment on the 070 number range?:

Yes

Question 2: Do you agree that the costs outweigh the benefits in relation to closing the 070 number range and migrating users to an alternative range?:

yes

Question 3: Do you agree that Ofcom should keep the 070 range open and monitor the market in light of enforcement action by PhonepayPlus?:

yes

Question 4: Do you agree that Ofcom should require OCPs to give greater prominence to the cost of calling 070 numbers in published price lists and promotional material?:

yes

Question 5: Do you agree that Ofcom should amend its guidance to ensure that PNS providers carry out appropriate due diligence of sub-allocatees of personal numbers?:

No

Question 6: Do you agree that Ofcom should not bar the presentation of 070 CLI? Please provide evidence to support your response:

Yes. This is a readily available in normal use. If barred for 070 numbers then it should also be barred elsewhere.

Question 7: Should services provided by, for example, Hospedia, Premier Telesolutions and Trader Media be provided on an alternative number range to 070? Please provide any evidence to support your views.:

Yes - these services are premium rate - they should use 09x numbers, which would readily identify them as such, before people use them..

Question 8: Do you agree that Ofcom should withdraw formally the requirement for pre-call announcements on 070 Personal Numbers?:

Yes - this is not in line with EU and ITU regulations and recommendations.
