Additional comments:

I am very concerned that BT's new packages are introducing significant extra costs for consumers who do not wish to enter into a 12 month contract.

In effect consumers are being offered a choice between (1) a lock-in with termination charges and (2) significant increases in call costs - see the small print of the new calling plans. A one hour evening call will increase in cost from 4.5p to 96p, but this is hidden away in the small print.
