

**OFCOM CONSULTATION:
PROCEDURES FOR THE MANAGEMENT OF SATELLITE FILINGS: CHARGES AND
AMENDMENTS TO PROCEDURES
CLOSING DATE FOR RESPONSES: 17 JANUARY 2008**

Having examined the additional information, Inmarsat considers there remains a need for further explanation of the overall costs (although at the same time continuing to respect the need for individual confidentiality). There also remains a need for further discussion with operators to ensure that the costs are fairly apportioned.
