Question 1: To what extent do you consider that DTT, DSat, cable and IPTV are in competition with one another for subscribers of pay TV services ? either at present or in the future?:

of Course they are in competition with each other < Sky only Wany pay TV ON Freeview To confuse the public people WANT FREEVIEW BECAUSE IT IS FREE, Noy more pay TV

Question 2: To what extent do you consider the Proposal is likely to deliver benefits to the consumer?:

Non Sky were baned in 1998 to put any pay TV services on Freeview ,Sky are part of Freeview service with a CONTRACT which Run until 2011 if you allow sky to put pays services YOU ARE BREAKING YOU OWN REGULATIONS

Question 3: To what extent do you consider that there is scope for sustainable competition in pay TV on the DTT platform and, more broadly, across all pay TV platforms?:

Again Sky do on operate in a competitive manner , all they want to do is damage Freeview

Question 4: What are likely to be the key aspects of competition between providers of retail pay TV services on the DTT platform? E.g. what is the role of premium sports and movies content?:

again NON if i wanted Premium Sport i would ge cable or saterlite I repeat SKY ARE Trying To close DDT(Freeview) not right but you will just Let them do so i repeat Sky are At the moment part of Freeview and have a CONTRACT until 2011 You CANNOT break this CONTRACT

Question 5: Do you consider that if Sky were to become the only provider of pay TV on the DTT platform it would be likely to have a significant detrimental effect on competition in the long term? How might this affect the development of other platforms for the delivery of pay TV services?:

It Would Destoy Services Sky did not EVEN Win the Saterlite contract they just brought Britist saterlite broadcasting out WHY HAS THIS CONTRACT never gone to Competition ?

Question 6: To what extent, if at all, do you consider that the Proposal would be likely to lead to any of the public policy concerns outlined at Section 4?:

Not Know

Question 7: Specifically, to what extent do you consider that the Proposal would be likely to lead to consumer confusion?:

This Would confuse the public AS i said sky are not doning this for grain on the DttPreview platform they just want to damage it again i repeat sky are COntact to supplie a Free sevice on Preview until 2011

Question 8: To what extent do you consider that it is beneficial for consumers to be able to obtain Sky and existing DTT pay TV content without having to purchase separate STBs?:

IF sky as i sald are aloowed not put pay TV on DDT you are breaking A ban on them which has NOT BEEN LIFTED which was put on them Because it is NOT Benificial

Question 9:Do you consider that the Proposal might lead to any additional public policy concerns:

Not know

Question 10:If Sky becoming the only provider of pay TV services on the DTT platform were likely to have a significant detrimental effect on competition, do you consider that it is possible to address this through a set of additional conditions and/or directions? If so, what form should those conditions/directions take?:

NO IT is dangerus for you to allow Sky the right to broadcast on DTT as a pay service and WILL damage comtetion

Additional comments:

Yes if Sky signed a contract and are a part of Freeview why can YOU just Cancell this Contract and as i said which runs untill 2011 and how can you allow a SKy to run a pay service on DDT when they were BQANED FROM DOING SO IN 1998
