What do you want Ofcom to keep confidential?:

Keep nothing confidential

If you want part of your response kept confidential, which parts?:

Ofcom may publish a response summary:

Yes

I confirm that I have read the declaration:

Yes

Ofcom should only publish this response after the consultation has ended:

You may publish my response on receipt

Question 1: Do you agree with Ofcom's proposed overall approach to improving the management of public sector spectrum holdings and, in particular, with Ofcom's conclusion that it will generally be preferable for public sector bodies to interact directly with the market?:

Yes

Question 2: What factors do you consider Ofcom should take into account in determining the programme of reform in the framework for managing public sector spectrum holdings?:

Effect on current users

Question 3: Do you consider that the proposals should be phased in?:

If it is going to happen, yes

Question 4: Do you agree with Ofcom's proposals about the frequency bands that offer the greatest potential benefits from band sharing? Are there other frequency bands where the facility to trade or lease spectrum from public sector bodies would be particularly attractive?:

unsure

Question 5: Do you agree with Ofcom's proposed approach to awarding public sector licences and RSA?:

no

Question 6: Should public sector spectrum trading be introduced at this stage in the Channel Islands and Isle of Man?:

doesn't matter to us

Question 7: Should there be additional grounds, eg safety-related, for Ofcom to refuse consent to a proposed trade in certain frequency bands or for certain applications?:

Yes

Comments:

For safety, marine VHF and radar should remain unchanged
