

Response from: Charles Conquest
Responding on behalf of: Self

Dear Sir,

I would like to say that I am convinced that access to 999 service should be included as a part of any contract enabling firms to offer this service. The companies should also make it possible to monitor any calls by the police and anti-terrorist organisations. I believe it is ofcom's duty to ensure that secure monitoring is compulsory.

Thank you for reading my opinion.

Yours
C Conquest
