

**Mr R Jones**

- Question 1: Do you agree that we have identified the right competition concerns?: Yes I agree
- Question 2: Do you agree with our assessment and provisional conclusions in respect to: Competition Concern 1 (the risk of very asymmetric spectrum shares and in particular Competition Concerns 1(i), 1(ii), and 1(iii)). Competition Concern 2 (the risk of there ceasing to be four credible MNOs? If not, please give your reasons and set out the evidence that supports your view.: Yes I agree
- Question 3: Do you agree we have identified the right options to address our competition concerns?: Not entirely, I would like the cap to be reconsidered to nearer 30% to actively promote competition rather than protect it at currently distorted levels.
- Question 4: Do you agree with our assessment of the options we have identified for promoting competition in the auction? If not, please describe what measures you consider would be appropriate, providing as much evidence as possible to support your preferred approach.: Yes I agree with the approach, just not the cap level target.
- Question 5: Do you have any further comments on our proposals on competition measures?: No
- Question 6: Do you agree with our revised proposal on the withdrawal of bids in the auction?: Yes I agree
