

What are "Online Communities?"

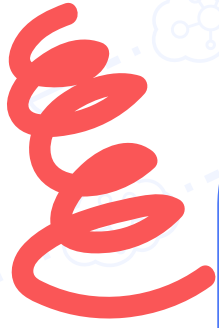

By "Online communities" we mean groups of people who have a shared interest or purpose, sharing information on a digital platform.

The members might know each other "in real life" (and may meet up, for example to share a sport or hobby), or they might not.

Online communities may include forums, online discussion boards and/or community pages

Mood Board Reflection

[Researcher to insert participants Mood board from their pre-task here]

Making an Online Community Better for you

Things I would change:

- 1.
